1P11 Child and Youth Worker – Family Care Support Program

Report To: Program Director

Classification: Adult, Youth and/or Child Worker

Grid: 11

Job Goal

To deliver front line therapeutic services to the families served by the Family Care Support Program. The primary focus is to assist in the implementation of the service plan goals for individual families.

Performance Responsibilities

- Direct work with the child(ren,) including but not limited to: physical activities, recreational games, life skills, and activities that promote interpersonal skill building and self-regulation.
- Gathers information relevant to the client's problems, needs and risks by interviewing, observing behaviour, meeting with caregivers and service providers, as needed, and using a variety of inventories, checklists and questionnaires. Reviews the information gathered to identify problems, needs and risks.
- In consultation with a Supervisor, Develops and implements short-term, issue-specific, child management plans that are consistent with service plan goals
- Plans, prepares and conducts group or individual counselling sessions using techniques such as active listening, conflict resolution, basic group counselling, and basic psycho-educational group methods to resolve the identified problems, needs and risks
- Provides skill building in areas including, but not limited to: self-management techniques.
- Evaluates the effectiveness of the child management plan, reports on clients' progress, and discusses related concerns with the Supervisor in order to resolve identified problems and move towards defined objectives.
- Maintains related records (including financial) and statistics, and provides reports to the Supervisor as required.
- Performs other related duties as required.

Education and Experience Requirements

- Child Care Diploma (2 year) from a recognized program.
- 1 year experience as a Child Care Worker with special needs children/youth.
- An equivalent combination of education, training and experience will be considered.

Job Skills and Abilities

- Ability to maintain and calm demeanor in stressful situations.
- Must have sound knowledge of various practices techniques and modalities effective in working with complex care needs children and youth.
- Good verbal, written and inter-personnel skills.
- Motivated and self-sufficient.

- Ability to effectively communicate and report to the Family Counsellor and immediate Supervisor with regards to facilitating the care plan as set out by the Family Counsellor and Program Director.
- Tact, sound judgment.
- Must meet the needs of essential job-related physical abilities including, but not limited to, standing, sitting, walking, lifting, carrying, reaching, pushing and pulling.

Additional Information

- Criminal Record Check Required
- Must have a current Emergency First Aid Certificate.
- Must have a current Low Arousal de-escalation (LAT) Certificate.
- Must possess a valid B.C. Driver's License.
- Must provide a proof of a satisfactory driving record (driver's abstract) from ICBC.
- Must have verification of vehicle insurance with $2,000,000 liability coverage.
